

Compass

Adjustable LED Reading Light

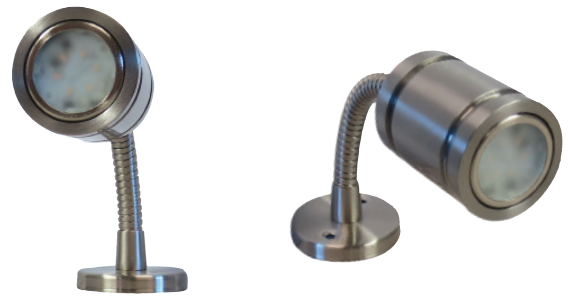

Features

- Flexible arm allows unlimited light directing
- Push lens switch on/off operation
- Energy saving LED technology
- 50,000 hour estimated life
- Cool to the touch operation
- Compact space saving design
- Screw mount installation
- Attractive transitional styling
- Interior use only

Product Details

Bezel	A6061 Aluminum
Lens	Frosted Glass
Cut Out	2"
Total Wattage	1.01
Voltage	11-14V
Current	.08A @ 13.6V DC
Standard LED Color Temperature	3000K ± 175K
Lumen Output	75 LM
Efficacy	74 LM/W
Beam Angle	120°
CRI	>80
Integral Switch	Yes
Wire Size	18 AWG

Part Number | 69923S-XXYYE
 XX=Finish; NI=Nickel CH= Chrome TF=Truffte
 WH=White BK=Black
 YY=LED Color; 3K=3,000K 6K=6,000K
