

## Button LED Courtesy Light Installation Instructions

(Part #'s 69500 & 69501A)

### Product Safety Instructions

**IMPORTANT SAFETY INSTRUCTIONS. READ CAREFULLY FOR YOUR PROTECTION AND SAVE ALL INSTRUCTIONS.**

- \*Disconnect power before installing, adding or changing any component.
- \*To avoid a hazard to children, account for all parts and destroy all packing materials.
- \*Do not install any luminaire assembly closer than 6" from any curtain or other combustible material.

#### SERVICE

There are no user-serviceable parts inside. Opening unit will void warranty.

#### WARRANTY

For information on our warranty policy please visit our website at <http://www.itc-marine.com/resources/warranty/>

### Installation Instructions:

#### FOR USE WITH COLLAR:

- Step 1: Push wires into center of collar
- Step 2: Push light into collar
- Step 3: Drill hole in mounting surface with 1" hole saw or spade drill bit
- Step 4: Attach wires to power source – if the wires on the light are red/black the red is positive and black is neutral. If the wires are white/black then white is neutral and black is positive.
- Step 5: Push light into mounting hole

#### FOR USE WITHOUT COLLAR:

- Step 1: Drill hole in mounting surface with 3/4" hole saw or spade drill bit
- Step 2: Attach wires to power source – if the wires on the light are red/black the red is positive and black is neutral. If the wires are white/black then white is neutral and black is positive.
- Step 3: Push light into mounting hole

\*LEDs are polarity sensitive. If the wires are not connected correctly, the LED will fail to light.
